MESSAGE FROM THE CHIEF GUEST

Prakash Bal Joshi

It is my great hounour to inaugurated HUES OF MY HEART, the solo exhibition of Dr. Zheda Kaham at Jahagir Art Gallery. I have known Dr. Zaheda Kaham as one of India's most sincere abstract artists. Her 8 years of sadhana with knife technique in acrylic, oil, watercolour and mix media is truly remarkable. Her subdued colours and symbolic textures spark of Ganga, of Nari Shakti, of our heritage and current affairs.

Her celebrated abstract series Dream House is particularly close to my heart-where she paints the feeling of home that belongs to all over the world. Dream house, every stroke is a dream of peace, belonging and universal love. Born in Varanasi, educated at AMU and BHU, her art carries the soul of India. A recipient of 5 Gold Medals, Kala Ratan, Tagore Award, she is an inspriration for Prayagraj and the nation. Her journey from Varasansi to World Art Dubai, London, USA is proof that true art needs no language. I wish her great success.

Dr. Zaheda Khanam does not just paint, she sculpts emotions with her knife, her Dream House gives home to every heart."
